LAIBA NOOR ANSARI

Portfolio | ansarilaiba121921@gmail.com | LinkedIn | Github | Leetcode (Rating 1500+)

Education

Dr. APJ Abdul Kalam Technical University   November 2022 - July 2026
Bachelor of Technology in Computer Science Engineering (Information Technology) (CGPA - 7.3)   *Ghaziabad,Uttar Pradesh*

Sir Padampat Singhania Education Centre   **April 2020 - April 2021**
Intermediate - PCM (Percentage - 80.14%)   *Kanpur, Uttar Pradesh*

Sir Padampat Singhania Education Centre   **April 2018 - April 2019**
Higher Secondary (Percentage - 94.00%)   *Kanpur, Uttar Pradesh*

Experience

App Developer Intern   **10/2024 – 11/2024**
CodeAlpha   *Remote*

- Developed and delivered Android applications using Kotlin and Jetpack Compose, featuring modern and responsive UI designs. Implemented effective lifecycle management and performance optimizations to guarantee seamless operation.
- Developed a solid understanding of algorithms and data structures, using them to create useful app solutions. Gained handful experience while implementing essential features like user authentication, search functionality, and database handling.By leveraging my logical thinking, analytical approach, and problem-solving abilities, I was able to effectively overcome challenges and deliver my project successfully

Projects

MyMedi App | Admin APK | User's APK | Github   **Nov-2024**

- **Tech Stack:** Kotlin, MVVM, MySQL, Retrofit, RESTful APIs, User Authentication, Preferences, Google Ads, GitHub.
- Developed a B2B pharmaceutical trading app with secure buyer-seller transactions, stock management, transaction history, real-time order updates and tracking.
- Designed a user-friendly interface for seamless stock posting, real-time order updates, and transaction history.
- Implemented negotiation and messaging features to enhance buyer-seller communication and deal efficiency.

Blaze Shop | APK | Github   **Feb-2025**

- **Tech Stack:** Kotlin, Firebase Authentication, Razorpay, MVVM Architecture, GitHub.
- Developed an e-commerce clothing and fashion app with seamless product browsing, shopping cart, and secure payment integration.
- Designed a modern, user-friendly UI/UX tailored for the new generation, enhancing engagement and shopping experience.
- Integrated user support and help center features to provide real-time assistance and improve customer satisfaction.

Technical Skills

Languages: Kotlin, Python, C/C++, SQL, JavaScript, HTML, CSS
Frameworks: Flask, Jetpack Compose
Tools: Android Studio, VS Code, Github, MySQL Workbench, MS Excel, MS Office, Postman
Coursework: Basics of OOP's, Machine learning, Networking, Database Management System, Operating System. Data Structures and Algorithms.

Roles and Responsibilities

Coordinator: Organized and led multiple college events and workshops, demonstrating strong communication and leadership skills.
Major Project Lead: Lead a major technical project and managed a team to ensure successful and timely delivery.
Captain: School's Himachal House - Organized various events at regular intervals.

Certifications & Achievements

- **Solved 400+ Questions on Leetcode.**
- **Infosys Springboard Certification in Machine Learning with Scikit-learn**
- **Infosys Springboard Certification in Introduction to Cyber Security**
- **App Development Internship**
- **Oracle Certified Associate (OCA): MySQL HeatWave Implementation Certified Associate Rel 1**
